

Camp Metacomet at the Dartmouth YMCA

Our 58-acre ecologically diverse site, featuring a working hayfield, hardwood forest and salt marsh, offers an ideal setting for sports and nature programming. The site includes a low and high ropes course, an outdoor pool, volleyball court, archery range, and two basketball courts. Understanding the importance of selecting the right camp for your child, we welcome your questions and invite you to visit the camp for a tour when you register. Camp Metacomet strives to build self esteem and confidence in each child, while teaching them the core values of Caring, Honesty, Respect and Responsibility. Camp Metacomet operates according to the standards set forth by the American Camp Association and the Massachusetts Department of Health.
