We offer a positive camp setting allowing the individuality of each camper to flourish throughout the summer. We strive to build self esteem and confidence in each child while teaching them the core values of the YMCA – caring, honesty, respect, and responsibility.

Understanding the importance of selecting the right camp for your child, we encourage you to take a tour of our facility. Call Camp Director, Donna Lake to make an appointment. Parents/Guardians are responsible for providing transportation to and from the YMCA for each one week session. Camp Nep-In-Nae operates according to the standards set forth by the American Camping Association and the Massachusetts Department of Health.
