WATER AEROBICS CLASSES

MONDAY: H2O POWER

A shallow end class designed for those who wish to obtain a full cardiovascular workout, while using the natural resistance of the water to help increase your strength, power, endurance

TUESDAY: H2O PUMP

A fun class providing low-impact alternative to traditional land aerobics with all the intensity. Aerobic activity combined with

WEDNESDAY: H2O DEEP

Take the plunge for a workout that is no impact. You'll use an aqua-jogger belt and perform a series of deep water running techniques to get the maximum benefit from water's natural resistance. No swimming experience necessary. Class will be

THURSDAY: H2O POWER

A shallow end class designed for those who wish to obtain a full cardiovascular workout, while using the natural resistance of the water to help increase your strength, power, endurance

FRIDAY: H2O COMBO

A combination of shallow water resistance exercises and deep water running. The class includes a variety of movements to incorporate all muscles to improve balance, coordination, and
